

# MERN Stack Developer (PREXO Project)

1. Login to Super Admin Panel
2. Import Order Sheet & Delivery Sheet CSV Files
3. Validations for Order Sheet & Delivery Sheet import to be provided
4. Bag ID Creation using CRED Operation
5. Bagging Process – Scanning AWBN numbers with maximum of 10 items and closing the bag.
6. Generate UIC Codes for each unit and issue the bag to agent (Bag Issue Request).

## UI Screens:

1. Login Page Screen

## 2. Orders Sheet Import Screen

The screenshot shows the 'Bulk Order' import screen in the Prexo MIS Panel. The browser address bar displays 'prexo-v9-2-2-dev-admin.dealsdray.com/mis/orders/bulk-import'. The left sidebar contains a navigation menu with 'Orders' selected. The main content area is titled 'Bulk Order' and includes a breadcrumb 'Order > Bulk Order'. It features an 'Upload file' section with a 'Choose File' button, a status message 'No file chosen', and an 'Import' button. In the top right corner, there are 'Back to list' and 'Download Sample Sheet' buttons. The footer shows '2024 © Prexo.' and a user profile 'Hi Samit MIS GDN'.

## 3. Delivery Sheet Import Screen

The screenshot shows the 'Bulk Delivery' import screen in the Prexo MIS Panel. The browser address bar displays 'prexo-v9-2-2-dev-admin.dealsdray.com/mis/delivery/bulk-import'. The left sidebar contains a navigation menu with 'Delivery' selected. The main content area is titled 'Bulk Delivery' and includes a breadcrumb 'Delivery > Bulk Delivery'. It features an 'Upload file' section with a 'Choose File' button, a status message 'No file chosen', and an 'Import' button. Below the file upload area, there is a date input field with the placeholder 'dd-mm-yyyy' and a calendar icon. In the top right corner, there are 'Back to list' and 'Download Sample Sheet' buttons. The footer shows '2024 © Prexo.' and a user profile 'Hi Samit MIS GDN'.
